HOUSE OF REPRESENTATIVES
152nd GENERAL ASSEMBLY

HOUSE BILL NO. 2
AS AMENDED BY
HOUSE AMENDMENT NO. 1
AND
HOUSE AMENDMENT NO. 2

AN ACT TO AMEND TITLES 4, 11, 16, AND 30 OF THE DELAWARE CODE RELATING TO CREATION OF THE DELAWARE MARIJUANA CONTROL ACT.

WHEREAS, the creation of a legal, regulated marijuana industry would effectively eliminate the illegal market for marijuana in Delaware by diverting demand away from illicit cartels and enterprises, and provide law enforcement officials the legal means necessary to ensure the safe legal use of marijuana in Delaware; and

WHEREAS, the legalization and regulation of marijuana would address criminal justice concerns related to criminalization and prohibitions on the production, possession, and transportation of the substance, recognizing a Black individual is 4 times more likely to be arrested for marijuana possession than a white individual despite equal rates of use; and

WHEREAS, it is the responsibility of the General Assembly to ensure that Delawareans most impacted by prohibition are guaranteed access to the legal marijuana market; and

WHEREAS, the creation of a legal framework to regulate the production and sale of marijuana in the State of Colorado and the State of Washington has generated a multi-billion dollar industry and yielded more than 38,000 well-paying jobs in Colorado and 22,000 jobs in Washington; and

WHEREAS, the adult recreational use of marijuana has been legalized in neighboring states including New York, New Jersey, and Maryland; and

WHEREAS, Delaware recognizes the economic benefits of a legal marijuana market as well as the importance of regulating the substance in a manner similar to alcohol and restricting its use to persons over 21 years old.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE (Three-fifths of all members elected to each house thereof concurring therein):

(a) The Commissioner shall distribute and receive all of the applications for licensure under this chapter and shall refer an application to the Division for investigation. If it appears that any application should not be granted, the Commissioner shall timely notify the applicant stating the reason for denial.

(b) Hearings on applications for licensure under this chapter.

(1) If 10 or more persons who reside or own property within 1 mile of the premises where the license is to operate or in any incorporated areas located within 1 mile of the premises where the license is to operate file a protest against the issuance of the license with the Commissioner within 30 days from the filing of the application, then a hearing must be held to consider the application and protest and, specifically, the concerns of the members of the community within which the license is to operate.

(2) The Commissioner may hold a hearing in the absence of a protest.

(3) The Commissioner shall cause notice of the time and location of the hearing to be published in 2 consecutive issues of the same newspapers within which the applicant published notice of the applicant's application for the license.

(4) The Commissioner shall send notice of the time and location of the hearing to the applicant and to each of the persons who signed the protest and provided a legible name and address; provided, however, that it is sufficient for the Commissioner to send notice to a legal agent representing a person.

(5) The Commissioner shall conduct the hearing and shall make and keep a record of the hearing. The record must include the evidence, the Commissioner's findings of fact, the Commissioner's decision, and a brief statement of the reasons for the decision.

(6) The Commissioner shall issue a written decision after the hearing. The Commissioner's decision must show the manner in which the Commissioner construed the law and applied it to the facts, must recite any objections presented by the community, and must show how and the extent to which the Commissioner took community concerns into account and gave them due consideration when making the decision.

(c) The Commissioner's decision on an application must be in writing and is final and conclusive unless a party to such hearing files an appeal within 30 days from the date of the postmark on the Commissioner's decision by mailing notice of the appeal to the Commissioner's office. Upon receipt of the appeal, the Commissioner shall notify the chair of the Appeals Commission of the pending appeal and the chair shall convene the Appeals Commission with at least 20 days' notice to all parties. The Appeals Commission shall hear the appeal and shall review the matter on the record; act in accordance with the Administrative Procedures Act, Chapter 101 of Title 29; and affirm, reverse, or modify the decision of the Commissioner. A decision of the Commissioner may only be reversed upon a finding of abuse of discretion.

(d) A party who is aggrieved by a final decision of the Appeals Commission may file a written appeal with the Superior Court within 30 days of the date that the Appeals Commission's decision was mailed. The Superior Court's review of an appeal shall be on the record and in accordance with the Administrative Procedures Act, subchapter V of Chapter 101 of Title 29. The Superior Court's review shall take into account the experience and specialized competence of the Commissioner and the purpose under which the Commissioner acted. Further, the Superior Court's review, in the absence of fraud, shall be limited to whether the Commissioner's decision is supported by substantial evidence on the record and is free from legal error.

§ 1353. Decision upon application for renewal of license; time of making.

On or before the first day of the month preceding the biennial expiration date of a license, the Commissioner shall render a decision upon every application properly and completely made to it on or before the first day of the third month preceding the biennial expiration date of a license.

§ 1354. Grounds for refusal of license; transfer or extension of premises.

(a) The Commissioner may not grant a license under this chapter in any county or subdivision thereof, if granting a license is contrary to the law of any municipality or county adopted under § 1351 of this chapter.

(b) The Commissioner may refuse to license an applicant if the Commissioner has substantial evidence that would reasonably support a belief that any of the following apply:

(1) There are sufficient licensed premises in the municipality or county, or the granting of a license in the municipality or county stated in the application is not otherwise demanded by public interest or convenience.

(2) The applicant is financially irresponsible.

(3) The applicant has made false statements to the Commissioner.

(4) The applicant, including any of the applicant's directors or officers, or any of the applicant's shareholders who hold more than 10% of the outstanding issued shares, has been convicted of an offense that may impact the qualifications, functions, or duties of the business or profession for which the application is made, except that if the Commissioner determines that the applicant is otherwise suitable to be issued a license, and granting the license would not compromise public safety, the Commissioner shall conduct a thorough review of the nature of the crime, conviction, circumstances, and evidence of rehabilitation of the applicant, and shall evaluate the suitability of the applicant to be issued a license based on the evidence found through the review. In determining which offenses may impact the qualifications, functions, or duties of the business or profession for which the application is made, the Commissioner shall include the following:

a. A violent Title 11 or Title 31 felony conviction as defined in §4201(c) of Title 11 or its functional equivalent under the laws of the United States, any state or territory of the United States, or any other country.

b. Any Class A through C felony conviction as defined in Title 11 or its functional equivalent under the laws of the United States, any state or territory of the United States, or any other country.

f. Any felony conviction as defined in Chapter 5 of Title 30 or its equivalent under the laws of the United States, any state or territory of the United States, or any other country.

(5) A substantial objection to the granting of the license has been presented by the community within which the license is to operate, or that the granting of such license is otherwise not in the public interest. For the purposes of this subsection, the term "substantial objection" includes 1 or more of the following:

a. Any objection, or group of objections, presented to the Commissioner either individually or as a group, by persons who reside within 5 miles of where the licensee is to operate, sufficient to give the Commissioner reason to believe that a majority of the residents in that 5 mile radius within which the licensee is to operate oppose the issuance of the license.

b. Any objection, or group of objections, presented to the Commissioner either individually or as a group, the content of which gives the Commissioner reason to believe the quality of life of the community within which the licensee is to operate will be adversely affected by the granting of the license.

(c) Except as set forth in subsection (b) of this section, a prior conviction, for possession of, possession for sale, sale, manufacture, transportation, or cultivation of a controlled substance may not be a ground for denial of a license.

(d) The Commissioner may refuse to grant a license to sell marijuana, marijuana products, or marijuana accessories to any new establishment to be located in the vicinity of a church, school, college or substance abuse treatment facility as defined under § 2203 of Title 16. The Commissioner may issue a license to any establishment located in the vicinity of a church, school, or college when such establishment has been located in a place prior to the time any church, school, or college may thereafter be located in the vicinity of such establishment.

(e) The Commissioner shall refuse to grant a license for the sale of marijuana, marijuana products, or marijuana accessories when there is an existing licensed establishment of the same type within 1200 feet by accessible public road or street in any incorporated city or town, or within 1 mile by accessible public road or street in any unincorporated or rural area. If there is an existing licensed establishment less than 1 mile but more than nine tenths of 1 mile by accessible public road or street in any unincorporated or rural area, the Commissioner may grant such license. This subsection does not apply to any of the following:

(1) Any existing license or to the sale, transfer of ownership, or renewal of an existing license.

(2) Any licensee who desires to move the location of the licensee's license to a location within 500 feet thereof by accessible public road or street or any licensee located in a shopping center or shopping mall who desires to move the location of the licensee's license any distance within the same shopping center or shopping mall, whether such center or mall consists of 1 or more than 1 separate buildings.

(f) Any holder of an existing license who desires to move the location of the existing license due to the destruction of the building, loss of lease, diversion of highway traffic pattern, or other reason beyond the control of the licensee, shall have preference in the issuance of a new license provided that the application satisfies this section and all other requirements under this chapter.

(g) The Commissioner may not grant a new license of any type and may not grant an extension of premises of an existing license of any type unless the application for said new license or for said extension is accompanied by a Certificate of Compliance from the appropriate political subdivision showing all of the following:

(1) That the premises where the license is to be used are properly zoned for the applicant's intended use.

(2) That all necessary permits have been approved.

(3) That the applicant has complied with all other applicable licensing requirements of the appropriate political subdivision.

(h) Subsection (g) of this section does not apply to any application for a temporary extension of premises as authorized by Commissioner rule if such application has not been objected to by the appropriate political subdivision and the political subdivision was provided with notice of the application by the applicant within 7 days of the date the application is filed with the Commissioner.

§ 1355. Finality of Commissioner's decision refusing license.

If an application is not timely protested, but the Commissioner determines that the application should nevertheless be denied, the Commissioner shall render the decision promptly in writing. The Commissioner's decision shall be final and conclusive unless, within 30 days after notice thereof has been mailed by the Commissioner's office, the applicant files an appeal in the office of the Commissioner. The appeal shall follow the procedure outlined in § 1362 of this chapter.

§ 1356. Improvements to premises.

The Commissioner may not require an applicant to make improvements to the premises before the issuance of a license; however, the Commissioner may issue a license to sell marijuana, marijuana products, or marijuana accessories upon the condition that certain improvements shall be made to the premises.

Subchapter V. Cancellation or Suspension of License.

§ 1361. Grounds for cancellation, suspension, or fines.

(a) The Commissioner may cancel every license made use of on behalf of any person other than the one to whom or on behalf of whom it has been issued.

(b) If the Commissioner has reasonable grounds to believe that a licensee has committed any of the violations in subsection (c) of this section, the Commissioner may do one or more of the following:

(1) Suspend the licensee's license.

(2) Cancel the licensee's license if the Commissioner determines the violations to be repeated and continuous, or egregious.

(11) Discipline, threaten, or otherwise penalize any person for refusing to violate or aiding the enforcement of the provisions of this chapter or the rules of the Commissioner.

(d) Notwithstanding subsection (b) of this section, the Commissioner may cancel or suspend a license if there is any other reason which, in the opinion of the Commissioner, warrants cancelling or suspending the license.

(e) The Commissioner may not cancel or suspend any license for the sale of marijuana products or impose any fine for an alleged violation of § 1307 or § 1313 of this chapter where the licensee or its employee has made a reasonable effort to determine the age of a purchaser of the marijuana products. For purposes of this subsection, a licensee or its employee is deemed to have made a reasonable effort to determine the age of a purchaser if, prior to any sale of marijuana products, the licensee or its employee requires the purchaser to display identification, with a photograph of the purchaser thereon affixed, which sets forth information that would lead a reasonable person to believe the purchaser to be 21 years of age or older.

(f) The Commissioner may also suspend a license for any of the grounds for refusal of a license under § 1354 of this chapter.

(g) The Commissioner may cancel any retail license if it has reasonable grounds to believe that the license was granted in violation of this chapter, or any regulation enacted pursuant to § 1331 of this chapter.

§ 1362. Public hearing and right of appeal.

(a) The Commissioner may not cancel or suspend a license, or fine a licensee, before both of the following occur:

(1) The licensee has been given a public hearing by the Commissioner at which time the licensee is entitled to legal representation and to present witnesses.

(2) The ground for canceling or suspending a license is established by clear and convincing evidence.

(b) The Commissioner shall keep a full and complete record of all proceedings incident to a hearing under subsection (a) of this section. The Commissioner shall record all testimony at such hearing, but need not have it transcribed unless an order of the Commissioner is appealed to the Superior Court under subsection (c) of this section.

(c) An order of the Commissioner relative to suspension or cancellation of a license, or fining a licensee, becomes final 10 days after the licensee receives notice thereof, unless, within 10 days of the date of the postmark on the Commissioner's decision, a written appeal is filed in the Superior Court. No bond may be required for filing such appeal.

(d) The appeal must state the grounds upon which a review is sought. After the appeal is filed, service shall be made by the Sheriff upon the Commissioner. The Commissioner shall certify and file with the court all documents and papers and a transcript of all testimony taken in the matter, together with the Commissioner's findings therein as soon as practicable but in no event later than 20 calendar days from the date of service of the appeal. The Superior Court's review of an appeal shall be on the record and the Superior Court shall take into account the experience and specialized competence of the Commissioner and the purpose under which the Commissioner acted. Further, the Superior Court's review, in the

absence of fraud, shall be limited to whether the Commissioner's decision is supported by substantial evidence on the record and is free from legal error.

(e) An appeal without bond may be taken from the decision of the Superior Court to the Supreme Court in the same manner as is provided in civil cases. Upon the final determination of judicial proceedings, the Commissioner shall enter an order in accordance with such determination, or shall take such further or other action as the Court may order. A petition for Supreme Court review shall act as a supersedeas.

§ 1363. Effect of cancellation or surrender of license; notice.

(a) The cancellation or acceptance of a surrender of a license entails the loss of the privilege conferred by the license and entails the acceptance of or the seizure by the Commissioner of any marijuana or marijuana products found in the possession of the licensee, except those which occur solely by reason of the death of the licensee.

(b) Notice of the order of the cancellation or acceptance of the surrender of a license may be served by an officer designated by the Commissioner; by affixing a duplicate thereof to the outside of the entrance door of the licensed premises; by leaving a duplicate with the holder of the license, or with any member of the family of the holder over the age of 18 years at the residence of the holder; or otherwise as in the judgment of the Commissioner will give notice of such cancellation or acceptance of the surrender. All cancellations or acceptances of surrender of a license take effect as soon as the order is served.

(c) The cancellation or acceptance of surrender of a license does not prevent the filing of any criminal proceedings for any offense against the licensee while the license was in force. No conviction obtained for any offense prevents the Commissioner from cancelling a license or from making at the same time a seizure of marijuana or marijuana products as provided in this title.

(d) The Commissioner shall adopt regulations for seizure of marijuana and marijuana products that preserves and does not destroy the marijuana or marijuana products.

§ 1364. Payments to former licensee.

The Commissioner shall, within 30 days of the date of the cancellation or acceptance of surrender of a license, remit to the former licensee a part of the license fee which has been paid and pertains to the unexpired term of the license. In addition, the Commissioner shall remit to the former licensee the amount originally received by the Commissioner from the former licensee in payment for such marijuana or marijuana products accepted or seized as remains in packages sealed by the Commissioner, after paying or deducting therefrom all reasonable costs and expenses incurred by the Commissioner by reason of the acceptance or seizure of the marijuana or marijuana products of the former licensee. When other legally acquired marijuana or marijuana products have been accepted or seized under this section, the fair market value thereof as

determined by the Commissioner must be remitted by the Commissioner to the former licensee, after paying or deducting therefrom all reasonable costs and expenses incurred by the Commissioner by reason of the acceptance or seizure of the marijuana or marijuana products of the former licensee. No payment may be made for illegally acquired marijuana or marijuana products that have been seized under this section.

Subchapter VI. Transfer of License; Death of Licensee

§ 1366. Transfer of license.

(a) The rights conferred by a license may be transferred by the Commissioner to any representative designated by the person to whom or on behalf of whom the license was originally granted, if such representative is a person approved by the Commissioner. In the case of death of a licensee, the Commissioner may transfer the license to a qualified person recommended by the executor or administrator of the estate of the deceased licensee.

(b) In instances where the Commissioner has approved the transfer of a license, all matters concerning marijuana inventories must be handled directly between the transferor and the transferee and all payments must be made directly and not through the Commissioner.

(c) A social equity or microbusiness license may not be transferred to a person who would not meet the criteria for the issuance of an original social equity or microbusiness license.

§ 1367. Death of licensee; payments to licensee's estate.

If any licensee dies and no application is made for transfer of the license, or the Commissioner refuses to permit the transfer of the license to another person, the Commissioner shall return to the legal representative of such deceased licensee a share of the license fee received by the Department proportionate to the number of full calendar months of the unexpired term. If the marijuana or marijuana products in possession of the licensee at the time of the licensee's death are delivered to the Commissioner and the Commissioner ascertains that such marijuana or marijuana products have been received by the deceased licensee according to law, the Commissioner must pay to the legal representative the amount originally received by the Commissioner for such marijuana or marijuana products less 10% thereof, or the appraised value less 10% thereof.

SYNOPSIS

This Act removes all penalties for use or possession of a personal use quantity of marijuana and marijuana accessories. It further specifies that the adult sharing of a personal use quantity or less of marijuana is legal activity for those 21 years of age or older and that those 21 or older may possess, use, display, purchase, or transport accessories and personal use quantities of marijuana without penalty. When transporting in a vehicle, those items must be in a closed container or otherwise not readily accessible to anyone inside the vehicle. The statute also specifies certain activities which remain unlawful. Finally, the definition of "personal use quantity" of marijuana is updated to include not only 1 ounce or less of leaf marijuana, but also equivalent amounts of marijuana product in other forms.
